

SOP FOR TRAVEL ON VANDE BHARAT AND BUBBLE FLIGHTS

The Government Of India had already launched Vande Bharat Mission in order to bring back Indian nationals stranded abroad. In addition to that the Ministry Of Civil Aviation (MOCA) has entered into the 'Air Transport Bubbles' arrangements with few countries to allow limited commercial passenger services when regular international flights are suspended due to COVID-19 situation. In order to facilitate a smooth movement for travellers on these limited international non scheduled commercial flights, a Standard Operating Protocol has been set for both the passengers of inbound and outbound flights. TRAVEL RESTRICTION MAP

International Air Transport Association (IATA) has recently introduced an interactive map in their website to update on travel restrictions across the world. As borders are reopening following the COVID-19 crisis, the travelers would like to get fast and updated information in order to make a hassle free travel plan. The map is easy to access and interactive where a traveler just needs to click the country on the map to get the information. Please click the above image or visit our [website](#) to get access to the Map.

MORE EVACUATION FLIGHTS
