## LOW RISK OF VIRUS IN AIR TRAVEL

An amazing data has been revealed by International Air Transport Association (IATA) in their recent report. Since the beginning of 2020, only 44 cases of COVID have been reported out of 1.2 billion passengers travelled so far. These reassuringly low figures will certainly provide a lot of comfort to the journeys associated with flights. So, how did that magic happen? [Click here to read more.](#)

## COUNTRYWISE AIR BUBBLE AGREEMENT

India has established air bubble agreement with several countries like Afghanistan, Bahrain, Bangladesh, Bhutan, Canada, France, Germany, Iraq, Japan, Kenya, Maldives,

Nigeria, Oman, Qatar, Ukraine, UAE, UK and USA where flights are operating from both the sides covering certain guidelines and restrictions. At Lufthansa City Center Travels & Rentals we are constantly updating all the information and guidelines country-wise as one stop solution for the air passengers and travelers. ## MORE EVACUATION FLIGHTS

Good news coming our way as international borders are opening up one by one. Be it air bubble agreements or Vande Bharat Mission scheme you can now rethink travelling to few destinations as per the guidelines set by concerned authorities. At the same time, we at LCC Travels & Rentals are updating the evacuation flights in our website with all the latest guidelines and information. Presently few destinations have been added to the list like Dhaka, Chittagong, Port Blair, Dubai, Manchester etc, now connected by the airlines of Indigo, US Bangla, Go Air, Emirates and Virgin Atlantic.
