

THIS MONTH'S NEW !

## Mandates For Travelling From UK To India

According to the recent guidelines for travellers coming from UK and through Delhi and Mumbai airport to interior points, the followings are required to be carried out.

1. RTPCR test mandatory before boarding from London within 72 hours of the flight.
2. Compulsory RTPCR test at Mumbai and Delhi at own cost on arrival .
3. Compulsory Institutional quarantine for 7 days for all travellers followed by a week-long home quarantine (transit or otherwise) at the first point of entry into India.

For travellers transiting through other points, please connect with us for detailed information.

## This Is The Right Time To Travel Within India

After a prolonged period of containment, people have just started to rethink travel. The beaches, forests, mountains and valleys are less crowded, and you will be able to unwind and spend quality time with your family and friends. A report by LCC Travels & Rentals talks extensively as why this is the right time to explore the domestic destinations.

## PLAN YOUR HOLIDAYS WITHIN INDIA

### Island Tours

Besides the palm fringed beaches and spotless white sand stretches, Andaman is a home for awe inspiring flora and fauna spread across vast landmasses that make an ideal

destination for vacationers and explorers. Being in the beautiful islands which are mostly commercialized for tourist spots, one can feel staying in a complete different world that is famous for breathtaking sceneries and lip smacking seafood. LCC Travels & Rentals offers amazing tour packages that cover Havelock Island, Neil Island, Ross Island, Port Blair, Baratang Island and much more with lot of scope for adventure and water sports.

## Top Hiking Destinations

The season has just started and it's time to explore through the snow capped mountains of the great Himalayan range. Take a thrill pill as you may experience the biggest adventure of your life. Here we have listed the top hiking destinations of India that will mesmerize the hikers.

**1.Sandakphu Trek:** With innumerable intriguing bird life, animals, and flora with which you would be fascinated to explore the diversity, Sandakphu offers one of those few high-altitude Himalayan treks which are provided with comfortable teahouse accommodation.

**2.Chopta Chandrashila Deoria Tal Trek:** At an altitude of 13,100 ft, this route opens up a gallery of stunning snow peaks all the way as the trek flourishes with blossoms, especially rhododendrons red and pink in summer time while winters are a hazy shade with enough scopes to appeal the hikers of all kinds.

**3. Kedarkantha Peak Trek:** The Kedarkantha Peak is one of the most sought after snow trekking destinations in India as it has verdant greenery, lush landscapes, myriad collection of flora and frozen ponds.
